

Please make sure that you have adhered to the following guidelines.

We reserve the right to remove entries and may do so if they do not meet the following criteria.

- ◆ All entries must relate to one of the following:
 - Wholesale supply
 - Retail
 - Distribution
 - Import or export
- Add an icon and a logo. (Note that you MAY add up to 12 images for your image gallery.)
- An icon is a small image; it will appear with your listing on the page with all the other entries in the chosen category.
- The logo is an image that will appear on your entries' main page.
- You MAY use the same image for both.
- Use the META tags.
 - The **META keywords** should relate to your business and products
E.G. - jewellery, earrings, necklaces, bags, wholesale supplier, etc
 - The **META description** is a concise description of your business and its products.
E.G. - XYZ SUPPLIERS are a wholesale jewellery and fashion accessory supplier based in Cape Town, South Africa. Our products include necklaces, earrings, bags, shoes, belts and scarves.◆
- Do not link to a website that says 'under construction' on the home page.
- Add your entry to appropriate categories only.
- Entries may not contain explicit material.

Please contact us should you feel that your entry meets these criteria and has been unjustly removed.
